

Declaration of Fitness

Print this form off and then place your driving licence over this square and scan or photocopy the whole document.

Please fill in the required information below and then make sure Glidex is updated to reflect this new medical declaration, any instructor or committee member can do this.

Finally put the completed declaration in the CFI's box for filing.

I declare that I do not have any medical condition that would disqualify me from holding a private driving licence.

(If in doubt, guidance on the medical standards required can be obtained from the DVLA website)
